

# LTD. ED. SHIRAZ 2012

The wine is made entirely from Shiraz grapes.

## THE CRAFT OF VITICULTURE

*Annelie Viljoen (Viticulturist)* The grapes were sourced from mainly trellised vineyards in Stellenbosch Kloof, Helderberg and Devon Valley. Mostly south-west facing, they derive the maximum benefit from cooling maritime breezes that contribute to slow ripening of the grapes and concentrated fruit flavours.

## THE CRAFT OF VINICULTURE

*Deon Boshoff (Cellar Master) / Bonny van Niekerk (Winemaker)* The grapes were harvested by hand in March at 24° to 25° Balling, when fruit and tannins were fully ripened but the berries and skins were still firm. The different vineyards blocks were separately vinified. Each tank was cold-soaked for five to seven days. Fermentation on the skins took place for 10 to 12 days at 26°C. The juice was then was racked off the skins and the skins pressed. The pressed juice was returned proportionally to add complexity to the wine. After malolactic fermentation, the wine was aged in new-fill French and American oak barrels for 14 months.

## CRAFTING CONTEMPORARY CLASSICS

South African wines so often tread the line between the old world and the new and for Zonnebloem's range of award winning wines, this balance between classic and contemporary is ever present. Zonnebloem is a brand that stands for craftsmanship in all its forms. After all craft is at the heart of the winemaking process, from the farms that produce our grapes who use the earth as their canvas to create the fruit which lends our wines their rich, distinctive character; to the winemakers who use the skills they have learned and developed over decades to create the rich varietals and blends that make up the Zonnebloem staple. Our commitment to craft doesn't end with the bottled product, Zonnebloem invests in craftsmen and artisans to ensure that every bottle is presented, and enjoyed, in a way that speaks to the craft that went into its creation.

Since 1856 Zonnebloem has been creating wines that speak to the values of fine craftsmanship. Our award-winning range combines the best of the old and new worlds to ensure that every bottle becomes a modern classic.
